THE WIDOW WALK

OCTOBER 2026 / COMMUNITY NEWS

A Month of Connection, Community, and New Beginnings

FRANKLIN FALL FESTIVAL

COMMUNITY OUTREACH |

Showing Up, Rain or Shine

This month we're celebrating the people, places, and moments that bring our communities together. Through the **Widow Walk**, we're helping people find community. Through **WW Agency**, we're helping people find home. And through **Micah Nowell**, we're helping people find hope. Three different initiatives. Three unique purposes. One shared heart for others serving others.

COMMUNITY OUTREACH

FRANKLIN FALL FESTIVAL

Showing Up, Rain or Shine

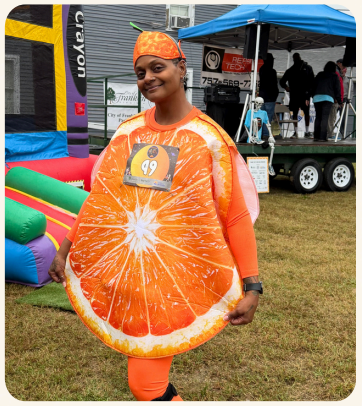

October began with The Widow Walk at Franklin's Fall Festival! Despite the rain and wind, our community showed up, and so did we.

We welcomed new faces, shared our mission, and connected with individuals and families who understand the journey of grief. Every conversation was another opportunity to remind someone that they don't have to walk it alone.

OUR MONTHLY GATHERING

A Place To Belong

We closed the month with 12 people at our Widow Walk gathering, including three newcomers: two widows and one widower.

Brandon Hamlin of The Wishing Well Counseling Center in Suffolk joined us todiscuss grief and mental health.

For those navigating a new beginning after loss, simply having a welcoming community can mean so much. These gatherings matter.

November 19th 4-7pm: 31st Annual Franklin-Southampton Area Chamber of Commerce Community Expo

MUSIC & MINISTRY

Songs that meet us where we are

At High Street Seniors, I had the joy of returning to share original songs of faith, hope, and encouragement. Their warm welcome, a thoughtful gift, and lunch made the visit especially sweet. Local seniors are invited to check out the group, which meets Thursdays from 10 a.m. to noon.

THE WW AGENCY

NEW EVERY FRIDAY

A song for every season

Micah Nowell

New Music Every Friday!

Did you know that every Friday I'm sharing something new on my YouTube channel, Micah Nowell? Music has always been such a special part of my journey, and I'm excited to share more of it with you! From original songs and beloved hymns to familiar worship favorites and the stories behind the music, my hope is that each video brings a little encouragement into your week.

Some songs are born out of seasons of joy, others through grief, healing, and learning to trust God in the unknown. I've discovered that sometimes a song can express what our hearts don't quite know how to say.

Whether you're walking through a difficult season or simply looking for a little inspiration, I hope you'll find a melody that reminds you of God's faithfulness and gives you a song to carry in your heart.

I'd love for you to join me on this musical journey!

Thank you for walking with us.

Whether we met at a festival, a 5K, a gathering, through music, or along the way in everyday life, we are grateful for the opportunity to connect. The Widow Walk exists to offer hope, healing and community to widows and widowers. Please share our mission with someone who may need to hear: you do not have to walk this journey alone.
